**ICE WEASEL 12**

The Infamous **Ice Weasel** returns for a 12th year.  
Don't miss this great event!  
Fighting in the snow, A&S classes, music.  
12 Angry Weasels.. You can't ask for more in an event.

It has been said that only the most brave, the most stalwart, will come out to fight in the snows of Smoking Rocks. Are you a warrior or a weasel? Prove your metal at the greatest outdoor winter event there is.

Ice Weasel 12 will feature our traditional Bearpit Tournament, with enough fighting to keep all the combatants warm. If time and space permit, we will do melees as well.

A full day of A&S classes are being planned at the moment from some of the most talented of artisans. Join us as we enjoy a filling Polish dayboard and learn new skills.

**Master Llewellyn** from our south will be teaching a class on spur making. There will be a sign up sheet and will have a capacity of 15 people. There will be a \$10 material fee.

**Lord William Bonesetter** will be cooking a hearty feast. Don't miss out on his mouthwatering talents

## Baronial Bardic Competition

We would like announce the First Annual Bardic Champions, to be held at Ice Weasel. This will be the first official Baronial Bardic Championship that we have held, and some of the final details are still being worked out. Because timing will be important, we will REQUIRE that everyone who is interested let us know by February 11th. This will allow us time to set up the final details of the format. Entrants should expect to have two pieces prepared, preferably two different styles, moods, or performance type. No piece should be more than 5 minutes long. As with the Royal championships, at least one of the two pieces should be vocal, whether song or spoken word. Pieces can be period or original works in a period style.

**Saturday March 4th we are holding a central region fencing practice.** *(Includes Pennsic tryouts)*

Greetings, Eastern fencers!

Based on the responses to the sign-up form (which is still available at <http://tinyurl.com/ekrapier2017>), I will be running the first round of tryouts for the Champions Melee Team at the following events through May.

**Central Region Practice -- Smoking Rocks**  
**March 4, 2017, Barony of Smoking Rocks**

**Central Region Practice -- Carolingia**  
**March 5, 2017, Barony of Carolingia**

Once again, my intent is to use these tryouts to identify the twenty or so finalists for the team. These finalists will be asked to participate at practices and events in the remaining time before Pennsic so that the team can train together, and so I may choose based on my observations which ten fencers will be asked to take the field for the Champions Melee battle in August.

I ask for everyone's understanding, as this schedule is subject to being changed for many potential reasons (event changes and weather being the main fears). I will do my best to announce modifications as they happen, including possible additions to this list.

I encourage anyone interested in making or supporting the team to sign up at the link above if you haven't, and to attend as many of the tryouts as you can comfortably attend.

Yours in Service to the East,  
Don Eldrich Gaiman, Captain EK Champions Melee Team

P.S. I ask that you help disseminate this schedule by posting it to your local practices and local rapier community forums. Thanks!

## 12TH NIGHT 2017

From the bottom of my heart I want to thank everyone who helped with the Helvetian 12<sup>th</sup> night event yesterday in Fairhaven. In truth, there really are no words to express how I feel, grateful does not seem enough.

Thank you, Gregory for planning and executing a delicious feast, thanks the Kitchen staff: Elizabeth, Romy (this was your first event and all you did is work) and my sweet son William Stafford (Sam). Thank you, Mali for your guidance throughout the preparations and during the event. Thank you, Baron Richard and Baroness Ann for being such gracious hosts and welcoming everyone with open arms. Thank you Ceawlin for running errands and bringing stuff. Thank you Cerdic for your guidance and your support before and during feast and Cerdic and Pat for again running the traditional fun and rowdy games people love so much. Thank you, Naia for cutting down half your yard of holly and pine and then so beautifully decorating the hall for us together with Diego. Thank you, Rufus, Fracta Modi and Marian for the lovely music throughout the afternoon then leading us through the dancing and singing. Thank you Nest for making sure the signs were up so people could find us and for donating your own chickens fresh eggs, cooking them, washing the bowls and schlepping all the kitchen stuff there and back, and especially thank you Nest for the very moving candle lighting ceremony, it has become the most magical part of the event for me. Thank you, Johannes singing the Coventry Carol while the candles were lit. Thank you, Phalean for starting the fire and keeping it going so we could burn the yule log and in return harvest fire for the candles. Thank you for always jumping up to help whenever I asked you to, sadly this happened with greater frequency than intended. Thank you Eleina, George and the queen of the bean for leading us through the caroling, I think it was a nice addition for us all to sing together. Thank you Bruka, Phalean for standing guard at the entrance and together with Johannes serenading in as our "Wise Men" to present the special gifts. Thank you, Kristen and Elaina for leading folks in the dancing, I missed that part but heard that it was much enjoyed. Thank you, Zach Davies for showing up at your first event and helping in so many ways, I hope you enjoyed it. Thank you, Wilhelm for coming early to help set up games and much more and you and your lovely Lady Una for preparing a very delicious bean king cake and distributing it so we could crown our 2017 King and Queen for the day. Thank you, King and Queen of the Bean for being such good sports and leading us throughout the afternoon with grace. Thank you your Highness for leading your merry entourage to this beautiful Hall in the lands of Smoking Rocks so they too could enjoy our very special 12<sup>th</sup> night event, we enjoyed your company. Thank you, Baroness Ann for taking care of the children. Thank you, Ivan for decorating the yule log this year. Thank you to the Unitarian Memorial Church of Fair Haven for again allowing us to enjoy your beautiful halls. Thank you, Keri for being patient with us and helping set and close down at the end. Thank you, Sir Zippy, Leda, James, Wolfhere and anyone else who helped wash dishes and clean up at the end. Thank you, Johannes, Diego, Eleina, Mali, Sile and everyone else who helped me with Troll, it is not a very glamorous job but so very important. Thank you, Liz for preparing all the paperwork and cashbox for troll.

I tried very much not to forget anyone here but if I did, please consider this your personal thank you for your support, help and friendship.

Last but not least, I thank everyone who came to enjoy the day with us it was such a pleasure to see you all and in the name of the Barony of Smoking Rocks I wish you all a very happy and healthy new year.

To all who were not able to make it this year we missed you and hope to see you

Black Rose Ball is turning 40, and the Barony of the Bridge is planning a fitting celebration. In honor of this momentous occasion, we are throwing a weekend long party. Because it is the ball's ruby anniversary, the theme for the ball is red and black.

We will start on Friday evening with informal dancing and tavern games, along with a light repast and refreshments. Dances will be taught and called as necessary, and dancing will continue as long as there are people who want to dance.

Saturday breakfast for weekend guests will start at 8:00 AM.
